Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Allowance mailed on February 23, 2006, Applicant submits replacement drawings to correct the informalities identified in the Notice of Draftsperson's Patent Drawing Review of January 31, 2006. The attached sheets of drawings include no substantive changes to the figures and merely correct margins, line thicknesses, and legibility of numbers and letters. Applicant believes the drawings are now in proper form.

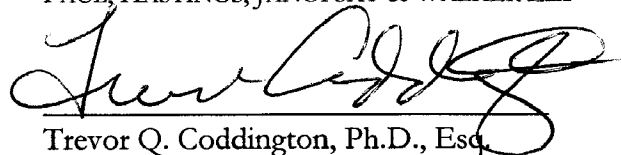

Applicant is concurrently submitting herewith the appropriate Issue Fee. No additional fee is believed to be necessary for submission and consideration of the replacement drawings. However, in the event that a variance exists between the amount tendered and that required by the U.S. Patent and Trademark Office to enter and consider these replacement drawings, or to prevent abandonment of the present application, please charge or credit such variance to the undersigned's Deposit Account No. 50-2613 (Order No. 31116.00010.UTL.P1068).

Respectfully submitted,
